A BLOODY SUNDAY!

AND FEUDAL FIGHT.

One Man Killed Instantly, One Dies of His Wounds a Few Hours Later, and One Expected to Die Any Hour.

FOUR OTHERS SERIOUSLY WOUNDED.

DEAD:
Andrew Wilson and Henry Freeman.

In a feud battle about five miles east of Lee City, in this county, on Sunday afternoon, one man was instantly killed, one mortally wounded, two dangerously wounded and two seriously shot.

Andrew Wilson, farmer and lumber dealer, shot in abdomen with shot gun, died almost instantly. Henry Freeman who was shot 13, times died Sunday night.

Harlan Dykes, merchant and lumber dealer, shot through the body. He is mortally wounded.

James Dykes a brother of Harlan Dykes, shot in the breast and thigh.

Lee Allen shot in the thigh.

John Allen, merchant of Iusko, Ky., shot in the face and arm.

Letcher Davis shot in leg.

"Our man about town" has talked with several parties who seem to be cognizant of the circumstances, and from what he can learn the particulars are about as follows:

The battle was the sequel to a four-handed fight between Andy Wilson, a victim of Sunday's engagement with Green Patrick, on one side, and Peter and Hiram Davis on the other side, several weeks ago. The Davis boys were then wounded.

This took place near the store of Harlan Dykes, who had previously engaged in a difficulty with Wilson, and on this occasion they drew pistols and trouble was narrowly averted.

Since that trouble, it is said, Dykes and Wilson, with their kinsmen and close friends, had been armed for a clash.

Grant Reed, colored, who conducts a blind tiger saloon, about five miles east of Lee City had a picnic Sunday at which prizes were given to the best banjo picker, fiddler, dancer, etc. He had spread the news broadcast and a free dinner was a feature which attracted a large crowd. In the crowd were men who harbored ill feeling toward one another for months.

After dinner Dykes and a party of 11 left for home. They had to pass the home of Wilson.

Eight of Wilson's friends were with him. A shot from one side or the other opened the battle. As an evidence of how furiously the fight raged, Freeman received 13 bullets and several others were shot more than once. Wilson was the only one of his party to be wounded. Both sides allege that opponents were the aggressors. Freeman fell first. When the firing had ceased Wilson was dead, and the wounded were scurrying to places of safety. Although himself wounded in the leg, Letcher Davis whose sons had the previous trouble with Wilson, picked up Harlan Dykes and carried him 100 yards from where he fell and placed him in a buggy.

Wilson's friends say that he did

Heart Weakness.

Dr. Miles' Heart Cure has made many hearts well after they have been pronounced hopeless. It has completely cured thousands, and will almost invariably cure or benefit every case of heart disease.

Short breath, pain around heart, palpitation, fluttering, dizzy, fainting and smothering spells should not be neglected. Take Dr. Miles' Heart Cure and see how quick you will be relieved.

It cannot make a new heart, but will restore a sick one by strengthening the heart nerves and muscles, relieving the unnatural strain, and restoring its vitality.

"I had a very bad case of heart trouble. For six months I could not work. Last July I was plowing corn and feeling bad all day; in the afternoon in plowing one row I had to lay down, or fall down, three times. My heart throbbed as though it would burst through, and I had difficulty in getting my breath. I purchased a bottle of Dr. Miles' Heart Cure, and before I had used half of it I could lay down and sleep all night. Previously I had to get up from five to ten times a night. I have taken several bottles, and my heart is as regular as clock work. I feel like a new man, and can work considerable for an old man, 84½ years old."

H. D. McGUIRE, Frost, Ohio.
Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.

not go to the picnic, fearing trouble with enemies.

The Wilson faction claims that the shot which killed Andy Wilson was fired by Porter Davis.

They say Dykes had his buggy loaded with arms in anticipation of a fight. Dykes' friends assert that neither he nor they expected or sought trouble; that they were attacked by the Wilson party and defended themselves as best they could. A physician says that Harlan Dykes will die. Freeman was shot 11 times in the body and twice in the head.

The funeral of Wilson, on Monday was attended by about 75 Mason, of which order he was a member, and a large crowd of other relatives and friends.

THE HERALD has endeavored to give an absolutely unbiased report of the deplorable affair, but of one thing it is assured and that is that the good people blame Grant Reed with the whole affair, and they are very much embittered against him.

Warrants were sworn out for 16 of the belligerents, arrests followed and the examining trial will be held at Lee City on Monday.

Tom Keith and Miss Lizzie Perkins, daughter of "Doc" Perkins, of Lacy Creek, eloped last week and after several ineffectual trials to get married finally had the nuptial knot tied at Maytown Tuesday morning by Rev. Johns Adams.

The Salmagundi Club returned Sunday, finishing their itinerary Saturday night at Campton. At each place they had fairly good crowds to witness their rendition of "Better Than Gold," but Jackson furnished the best audience.

The Kentucky State Bar Association will convene at Covington on Thursday, June 22nd and hold over Friday. The program of the two days will include addresses from the greatest legal lights in the State, and will doubtless prove very interesting. Hon Joe Folk, of Missouri, will deliver an address on "The Reign of Law."

The committee on Transportation and Immigration, of which Mr. C. M. Robertson is chairman, has to look especially to getting desirable immigrants to locate in the State. It will also help different communities in handling transportation difficulties. The work of the State Development Committee is already known to people in all parts of Kentucky.

No Secret About It.

It is no secret, that for Cuts, Burns, Ulcers, Fever Sores, Sore Eyes, Boils, etc., nothing is so effective as Bucklen's Arnica Salve. "It didn't take long to cure a bad sore I had, and it is all O. K. for sore eyes," writes D. L. Gregory, of Hope, Tex. 25c at all druggists.

+LACONIC LINKS+

It would be a case worth while if LaFollette's railway bill could be tested in Judge Quarles' court.

In Texas, Kansas and Oklahoma, tornadoes seem to have become regular feature of the "weekly blow-out."

If the Equitable directors want a radical change, substituting Cortleyon for young Hyde certainly would be one.

Those Oklahomans who are building cyclone cellars may find them handy when Carrie Nation reaches that territory.

If John D. Rockefeller, Jr., has swallowed some of the things he has told his Sunday school class, it is no wonder his stomach is out of order.

The trusts are not holding up the Panama Canal Commission so as you would notice it. They are perfectly content to work "on the quiet."

Gomez could insure his election as President of Cuba by promising to make every Cuban who votes for him, either a "colonel" or a general.

An Omaha financier stole \$100,000 and then committed suicide, doubtless because he knew that he wasn't in the Cassio Chadwick-Bigelow class.

New York is to have a four year term for its mayors. This will give the citizen who takes no interest in politics time to "think the matter over."

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Excursion to Mammoth Cave.

There will be an excursion to Mammoth Cave June 21-23 1905, on account of the Kentucky Educational Association. The fare from Lexington will be \$7.83 round trip, with return limit to June 26. Chas. Scott, general ticket and freight agent of the Lexington & Eastern, writes us that he will make a rate of one-and-one-third fare, from Heleehawa to Lexington if the teachers here will get up a party to justify it. Many of our teachers have signified their intention of going on this trip and we hope all who contemplate doing so will send their names to this office without delay. As will be seen from above they can save money by doing so. No teacher should miss the opportunity of seeing this great national wonder, as it would form a theme for them to talk to their scholars about for the entire term. Do not fail to go if you can and be sure to send your name before next issue.

Arrested in Winchester.

Judge James Hargis and B. F. French were arrested in Winchester on Wednesday evening of last week, and Senator Hargis, who was at his farm in Clark County, surrendered to the jailer of that county the same night. The arrests were made on a warrant sworn out by Mrs. Arabella Marcum charging them with complicity in the murder of her husband, James B. Marcum. While they slept in the jail they were not confined to the bastille, but walked the streets and took their meals at a hotel. On the same warrant Ed Callahan was arrested in Breathitt. Sheriff McCord took the first three to Jackson Thursday morning and turned them over to Magistrate Breck Combs, who released them all on bond.

Stuck in Slate.

The Holly Wilson well is statu quo for the nonce. The cable broke Tuesday afternoon about 3 o'clock while letting down the stem, and up to noon yesterday they had not been able to resume the work, which are down about 200 or 1,000 feet. The stem and bit weigh about 4,000 pounds, and as they fell some 200 feet fears are entertained that the drill point was imbedded by the impact into a slate rock to the depth of a foot or so, and stuck.

Stephen G. Sample, who attended the law school of Central University, Danville, last year, this year graduated from the class of the Southern Normal School, at Bowling Green, Ky. In the examination for graduation diplomas Mr. Sample answered correctly every question put to him, and he writes his friends in this neck o' woods that he is now a lawyer in name, if not in "high cut" practice. As a student at Hazel Green Academy Steve Sample demonstrated considerable ability as an orator, and if he overcomes his modesty he will prove a forceful speaker at the bar. Success to him, is the wish of THE HERALD and all his friends.

HERALD JOB PRINTING IS THE BEST, and the cheapest.

Three Enterprising Horsemen.

"Our man about town" had his attention attracted one evening this week by the loud cracking of whips, and thinking it was a party driving a drove of cattle he investigated. Roy Brennenman, Bruce Pieratt and Charley Wheeler proved to be the young men wielding the whips, which they were using upon some unbroken horses just received in a bunch from the West, many of them not bridled. A talk with the three young men revealed the fact that they would probably purchase or lease the old fair grounds and start a racing establishment. They told "our man about town" that they had among their herd some of the best strains of blood to be found in the horse family, and led him to suppose that they would inaugurate breeding establishments for the propagation of pure pedigreed stock. One of them claimed that he owned the fastest horse in Kentucky if not in America, and was ready to bet any sum in reason that his horse could beat anything in the stable of either Charley Wheeler or young Brennenman. This was "Pieratt the Plunger," as his friends called him. But they were all enthusiastic about the enterprise they were engaged in and "our man about town" while talking with them went back to his young days when he, too, rode a stick horse.

Huge Task.

It was a huge task, to undertake the cure of such a bad case of kidney disease, as that of C. F. Collier, of Cherokee, Ia., but Electric Bitters did it. He writes: "My kidneys were so far gone, I could not sit in a chair without a cushion; and suffered from dreadful backache, headache, and depression. In Electric Bitters however, I found a cure, and by them was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach. Guaranteed by all druggists; price 50c.

ABOUT PEOPLE YOU KNOW.

From the Breathitt County News.]

Dr. John A. Taulbee returned Thursday from Oklahoma.

Attorney J. M. Tester, of Wolfe county, is a visiting attorney in court this week.

Born, to Daniel McIntosh and wife, of Gilmore, on last Saturday a 10½ pound boy.

The base ball game between the Jackson and Hazel Green clubs came off yesterday afternoon at the new Jackson Base Ball Park, and resulted in a victory for Jackson by a score of ten to seven. A good crowd was in attendance and the game was interesting from the first. The Hazel Greens were shut out till the sixth inning, where they made one score, and three scores each in the seventh and eighth innings. The Jackson made one run each in the first four, three each in the fifth and seventh, and did not play their ninth. Capt. F. W. Fletcher, as manager of the Jackson Base Ball Club, has constructed a park and built a grand stand that will compare favorably with a city ball park. Our boys are ready to cross bats with any team that may come along.

From Jackson Hustler.]

Col. S. S. Combs, a prosperous merchant of Campton, was in the city last week on business, and was a guest of the Arlington.

Prof. Wm. H. Cord, principal of the Hazel Green Academy, passed through Jackson Saturday for Lexington on educational business.

Summer Health and Comfort.

The season of hot weather is a trying time for most every one, particularly the housewife, upon whom depends in large measure the well-being and good nature of her family. Hot weather health and comfort is discussed, with many practical recommendations by Isabel Gordon Curtis in the July DELINEATOR, the paper being a chapter in "The Making of a Housewife." Other reasonable suggestions are given in "A Snow-ball Luncheon," illustrated; "Milk as a Food," "Fruit Fantasies," and "New Ways of Serving Strawberries," containing the recipes for many refreshing Summer preparations. Plans for a summer camp and house furnishing ideas are other features of this number of the magazine and are of particular interest for their timeliness.

Tell What You Know.

Requesting the news of the community Charley Habicht thus says: "If you know what we don't know and don't tell us how do you expect us to know so as to tell your neighbors what you know and what you don't know? Let us know what you know and we'll tell everything we know and then everybody will know what you know and what we know, don't you know." Now, No!

Dying of Famine

is, in its torments, like dying of consumption. The progress of consumption, from the beginning to the very end, is a long torture, both to victim and friends. "When I had consumption in its first stage," writes Wm. Myres, of Cearfoss, Md., "after trying different medicines and a good doctor, in vain, I at last took Dr. King's New Discovery, which quickly and perfectly cured me." Prompt relief and sure cure for coughs, colds, sore throat, bronchitis, etc. Positively prevents pneumonia. Guaranteed at all druggists, price 50c and \$1.00 a bottle. Trial bottle free.

The Progressive Blue Grass Morning Paper.

There is no question that The Lexington Herald is the best paper ever published in Kentucky outside of Louisville, and for a resident of the Blue Grass or of the mountains it is even a better paper than any published in Louisville. It gives all the news of the Blue Grass and of the mountains, maintaining its special corps of correspondents in all of the counties in which it circulates, and sparing neither money nor labor to give a paper which gathers the news of its field as with a fine tooth comb.

With full Associated Press service, full market reports, full report from every race track giving results and entries, the baseball results, and with all the local news of Central Kentucky, it is a paper which no citizen of Central Kentucky can afford to do without.

Its subscription price is \$6.00 a year payable in advance, and it can be secured either by an order sent to or given to its agent in any of the towns in the Blue Grass, or at this office, we clubbing with The Herald and offering it and our paper for the sum of \$6.00.

Fatal Hunting Accident.

In Montgomery county the 14 year-old son of Thomas Marcum met with a fatal accident Monday while hunting. He pushed his gun through a fence and in climbing over struck the barrel with his foot. The gun was discharged, tearing off one of his legs. He suffered horribly for a few hours when death relieved him.—Clay City Times.

Burn Your Rubbish.

"Our man about town" took a stroll along the streets Saturday and was surprised to see a lot of paper scraps in front of several of the stores, and at other places. All such rubbish should be burned or a flying piece might scare a horse and cause the death of some one. Beside, it is a sanitary measure that should not be neglected. Burn your rubbish.
